QUEENS COMMUNITY VIOLENCE PREVENTION PROJECT 2024

The Queens County District Attorney's Office (QDA) is requesting proposals from qualified applicants to implement the Queens Community Violence Prevention Project (QDA-QCVPP).

The goals and expected outcomes of funded proposals are to increase community mobilization and messaging around anti-gun violence activities and initiatives, increase community-led responses to denounce violent incidents, develop better connections to support services, increase positive engagements with law enforcement and ultimately reduce violent crime.
